ABOUT BHARAT FLOORINGS AND TILES

A place where new designs create meets a legacy of floor art.

Bharat Floorings & Tiles, an ISO 9001:2015 Certified legacy brand, is the leader in artisanal cement floorings in India since 1922. For over a hundred years BFT's wide range of patterned and terrazzo tiles and elegant marble has graced iconic spaces and ruled the hearts of the Who's Who of Indian Society. Architectural marvels such as the Umaid Bhavan Palace to modern day celebrity homes demonstrate the foreverness of the brand.

Today, in a world of mechanically produced and standardized floorings, the company still continues to skillfully blend design and craftsmanship with scale, to offer unique floorings that are both long-lasting and beautiful. Our products are custom designed to create stunning floors and walls to suit eclectic tastes. Our patterned encaustic tiles have been much acclaimed by architects, and interior designers, and have received multiple awards from UNESCO. We help you to envision your dream floor and convert it into reality. The timeless elegance and durability of these tiles make them works of art, cherished for generations. The flooring is free of chemicals, biodegradable and environmentally responsible. At BFT, we do all India projects and also export tiles to the USA, England, Sri Lanka, Mauritius, Dubai, etc.
