

VISION

We are in the business of **adding a touch of class** to the mass market of mundane flooring solutions.

We aim to be the discerning customer's first choice when s/he is looking for extraordinary floors and matching walls with our **innovative handcrafted decorative cement tiles**, offering a blend of breathtaking heritage and contemporary styles.

We also enable customers to express themselves by **customizing our products to reflect their very own design dreams.**

MISSION

To be a **Design Powerhouse**

Always offer a **Value-for-Money proposition with floors which last a lifetime**

Seek to excel as a **one-stop solution** in design, production, installation and maintenance

Continuously offer **new, easier and better solutions for refurbishing** challenges

Build **long-term relationships with Customer influencers-Architects and Interior Designers**
